You're already an expert

Windows 10 is so familiar and easy to use, you'll feel like an expert. The Start Menu is back in an expanded form, plus we'll bring over your pinned apps and favorites so they're ready and waiting for you.

It starts up and resumes fast, has more built-in security to help keep you safe, and is designed to work with software and hardware you already have.

"This combines the strengths of Windows 8 with Windows 7."
-Windows Insider
